These terms and conditions (“**Terms**”) set out the basis on which Rail Safety and Standards Board Limited (Company No. 04655675) (“**RSSB**”) shall provide services to Buyer Members of RISQS.

Formation of contract

These Terms together with pricing information are available on the RISQS website. Having reviewed these, potential Buyer Members may express their interest in becoming a Buyer Member by following the application instructions set out on the RISQS website. RSSB shall be entitled to accept or reject applications to become a Buyer Member at its absolute discretion. Where an application is successful, RSSB shall confirm this to the relevant potential Buyer Member in writing and shall request payment of the initial Membership Fees. Payment of the initial Membership Fees following such request shall be deemed to constitute the relevant potential Buyer Member’s acceptance of these Terms, and shall give rise to a contract between that potential Buyer Member and RSSB on the basis of these Terms (the “**Contract**”).

For the avoidance of doubt, these Terms are not capable of acceptance by a potential Buyer Member until RSSB has confirmed in writing to the potential Buyer Member that its application to join as a Buyer Member has been successful.
